distribution of natural resources including energy, food, minerals and water	s, and the
<b>KS3 Balcarras:</b> Sustainability of Balcarras and Charlton Kings (Year 7), Urban growth and industrialisation Development and Population (Year 8).	(Year 7).
This unit contains the key themes of Trade and Globalisation. It considers economic activity in the primary, tertiary and quaternary sectors. It then considers the causes of and issues associated with the process of g and its impact on global trade. The topics of containerisation, TNCs and fair and ethical trade are also explo	globalisation
No one country is studied in depth in this topic, instead a global perspective is taken, and many countries a through the exploration of examples of fair trade such as Ghana and Ecuador. In addition, an in-depth stud TNC is undertaken. Students are encouraged to consider these global issues from an individual perspective consider their own commitment to responsible purchasing of products. There are a series of optional tasks including fast fashion and the sweatshop game which will complement the topic, but are not required for t assessment. Each teacher will ensure consistency of the core content and may use these additional tasks to	dy of Nike as e and to s in this unit, the
